COLORADO CHAPTER OF NHF
ACADEMIC SCHOLARSHIP PROGRAM 2020
A Scholarship for Continuing Education

NHF Colorado is proud to award two scholarships annually to those in the bleeding disorder community to help further secondary education. The Colorado Chapter Scholarship is provided by the Colorado Chapter of the National Hemophilia Foundation and is funded through chapter fundraisers. The Jana Marie Lambert Memorial Scholarship is presented by the Lambert family in honor of the late Jana Marie.

The two scholarships are available to anyone who meets the following requirements: has a bleeding disorder, immediate family members of those with a bleeding disorder, and immediate family members of those who have died due to complications of a bleeding disorder living in Colorado. The applicant must be in the process of seeking a post-secondary education, which can include a college or university, or a trade school.

The Colorado Family Fund awards $1,000 and The Jana Marie Lambert Memorial awards $1,500. You will be considered for both awards per one application.

An applicant is eligible to receive the grant multiple times, however, preference will be given to those who haven’t received funding prior. NHF Colorado will take several factors into consideration when determining the award recipients:

- Chapter involvement;
- Volunteer experience;
- Vision and future goals;
- Essay narrative;
- Academic merit.

The Academic Scholarship Application must be received at the NHF Colorado office by June 1st, 2020. NHF Colorado will accept applications postmarked on the due date. Illegible applications are not acceptable. Applications completed by anyone other than the applicant will not be accepted. Incomplete applications will not be considered. The recipients of the scholarship monies will be notified no later than June 15th.
